This handwriting practice sheet is organized into a 4x4 grid of columns and rows. Each cell in the grid contains a letter from the Gothic script, either 'G' or 'H'. The letters are presented in various sizes and orientations to help learners understand their construction and placement on the lines. Small squares are placed at the corners of the letters to indicate their alignment with the grid lines. At the top of each column, there are small letters 'G' and 'H' with arrows indicating the direction of the pen strokes. The background consists of a grid of solid and dashed lines.
